

Financial Commitment: Your financial commitment is critical to planning for and meeting the costs of teachers' salaries and other budget items. We are asking for you to make a financial commitment for the entire year once your child is accepted for enrollment. If you withdraw before the end of the year, you will still be responsible for the entire financial obligation of the entire year. This includes both Thursday humanities classes and Tuesday elective classes.

Registration Fees per student	
\$200 per student	
The registration fee is non-refundable unless the class does not form or the student is not accepted. Registration fees must be paid when the application is submitted.
