

1. In this chapter, Gatsby's car is described as the "death car." If his car symbolizes materialism, how does this add meaning to that symbolism? (2-3 sentences)

Identify other "deaths" found in chapter 7: (bullet list)

2. Do you think Gatsby believed in his dream to the end? Circle YES NO

Make a bullet list of examples from the chapter to support your answer:

3. The last line of chapter 8 says, "the holocaust was complete."
Define the word *holocaust*.

Why do you think the author uses the term "holocaust" at this point?
(Remember that the novel was written prior to World War II.)

How does the term "holocaust" relate to the earlier idea that Gatsby was "a son of God?"

4. Look at the last four paragraphs of the novel. What dream do you think Nick is talking about?

What is Nick saying about the ability to achieve one's dream?
