615-423-9592

### Supplies

- Textbook: Prentice Hall Mathematics
- College Rule Paper
- Pocket Folder with brads (preferred)
- Graph Paper
- Pencils (mechanical preferred)
- Pens
- Highlighter
- Ruler
- Protractor
- Compass
- Scientific Calculator  
Texas Instruments series 30  
or above preferred

### Guidelines

1. Bring textbook, folder, paper, pencil, pen, highlighter, and calculator every week to class.
2. A pocket folder (with prongs preferred) will be needed to bring assignments to and from home and school. Or, if you have a big binder that you keep everything in, you may have a section in it for math to bring things each week.
3. Do all the schoolwork in pencil. Grade homework in pen unless given other instruction. Mark incorrect answers with X and write the correct answer in pen.
4. Homework assignments are due at the beginning of each class period. Homework assignments are given a completion grade of 100 when turned in on time and as instructed. If homework is not received at the beginning of class, it may be emailed to me by the end-of-day for a 10% deduction. If absent, homework should be brought to the next class or it may be emailed to me.
5. Keep your graded work at home for reference or study unless given other instructions.
6. Ruler, protractor, and compass may be kept at home unless given other instructions.
7. Some assignments may be given online so you will need internet access.
8. Grades
  - a. Homework and Projects: 20%
  - b. Quizzes: 30%
  - c. Tests: 35%
  - d. Semester Exam: 15%
